

Revitalize Portage!

Grant Information Sheet 2017-2018

The Portage la Prairie Community Revitalization Corporation (PCRC) offers Revitalize Portage! grants to support projects, programming, events, or initiatives within the City of Portage la Prairie that enhance the strength and cohesion of the community. This program is made possible with funding from the Province of Manitoba, Neighbourhoods Alive!

What type of projects will be considered for Revitalize Portage Grants?

All projects should demonstrate support of local residents. Projects should fit into one of the following categories. Examples provided are to give ideas of the types of projects that could fit under each category but are in no way meant to limit the type of project that may be applied for:

- **Community Building:** Projects to build relationships and engagement within a neighbourhood or the city between residents of all ages, cultures, income levels and backgrounds – examples include: Block parties, BBQs, festivals, cultural fairs, cultural education programs, anti-racism, youth leadership programs, etc.
- **Affordable Recreation and Leisure:** Projects that provide affordable recreational opportunities and/or the development of physical spaces with a focus on the needs of lower income families and youth – examples include: After school programs, park development, play equipment, activities targeted for youth and young adults, etc.
- **Beautification and Community Pride:** Projects that build citizen responsibility for beautification by engaging residents, businesses and organizations in beautifying properties, greenspaces, and streets and promote pride in our community – examples include: Neighbourhood clean ups, “how to” workshops, mentoring young people on being good citizens, public art projects, etc.
- **Building Economic Security:** Projects that link lower income residents with activities to improve their well-being and economic situation – examples include: Life skills workshops, food Co-ops, community gardens, employment training programs, home repair workshops, etc.
- **Safe Neighbourhoods:** Projects to increase a feeling of safety in a neighbourhood – examples include: Community clean ups, graffiti removal, safety audits, etc.
- **Capacity Building:** Opportunities for neighbourhood groups and organizations to build skills and access resources or information to collaboratively create community change – examples include: Board, staff or volunteer development, community needs studies, etc.

How much funding is available?

Grants are available up to a **maximum of \$5000**. Projects must demonstrate community support, as well as other funding sources, donations or volunteer time where possible. One day events may be granted up to a **maximum of \$2500**. For projects to be awarded a grant for more than \$2,000 multiple sources of funding or partnerships must be demonstrated and the project will provide a major impact to the community. **Funding is limited, so please apply early. The program runs from April 1, 2017 to March 31, 2018.**

Who can apply?

Local groups or organizations in the City of Portage la Prairie, whether incorporated or unincorporated, may apply for grants. This includes non-profit organizations, parent councils, neighbourhood associations, and service groups. **Individuals are not eligible.**

What types of costs are eligible?

Eligible costs include:

- Project supplies / equipment, venue rental, advertising, food and beverages.
- Honoraria (single payment or material compensation for contribution to an event - eg. artist to facilitate an art workshop). Salaries are not eligible.
- Short-term wages (eg. summer student employment for youth recreation project).

Costs that are not eligible include:

- On-going operating costs or wages.
- Capital improvements to public or private facilities, unless the property is available free of charge for community use and the improvements impact the larger community.
- Revenue generating events (ie: fundraising through ticket sales).
- Payments of stipends (ie: money or material compensation, prizes) for participating in a project.
- Costs incurred prior to approval of the Revitalize Portage! grant.

When are Applications due?

Applications are accepted 3 times a year: March 1, June 1, October 1 (or first business day after a weekend or holiday). Applications should be submitted at least **45 days prior** to the start date of the project to allow time for review and approval.

No costs incurred prior to approval will be eligible. Applicants are encouraged to contact the PCRC office for any assistance and to review of the application prior to submission. The program runs from April 1, 2017 to March 31, 2018. Funding is limited, so please apply early.

****NOTE* Repeat applications for projects or events funded in previous years must be submitted by March 1, 2017. Funding for the same project may be considered for up to 3 years, providing the request continues to fit the criteria and goals of the Revitalize Portage! grant program.***

How are grants paid?

Grants are paid to the community organization or group, after a signed Letter of Understanding has been submitted to the PCRC. For projects less than \$1500, the entire amount is paid upon signing. For projects greater than \$1500, a partial cheque is advanced, with the remainder being issued upon submission of a financial statement showing the expenditure of the first portion of the grant.

Upon completion of the project, all applicants must provide a final report including an evaluation, photos, and a final financial statement with receipts proving the expenditure of the total grant on eligible costs.

Projects must be completed by March 15, 2018. Any project money not spent prior to this date must be returned to the PCRC.
